

Natural Press **FRESH FLAKE™**
Small Bale Alfalfa

The Gombos Company uses the newest technology to offer our Natural Press *Fresh Flake™* small bale alfalfa in 25-30Kg or 55-60Kg bales.

Natural Press *Fresh Flake™* is pressed naturally from the original, sun-cured bale right from the farmer's field. There is never any blending, chopping, or mixing!

Natural Press *Fresh Flake™* small bale alfalfa can either be bulk-loaded or wrapped into *12 or 24 *G-PAC™* units to help maximize container weight and improve cost of logistics.

1 Big bale alfalfa is delivered fresh to The Gombos Company directly from the farmers field.

2 Big bale alfalfa becomes Natural Press *Fresh Flake™* small bale alfalfa without losing any of the characteristics of the original big bale.

Natural Press *Fresh Flake™* small bale alfalfa flakes apart easily and naturally. Each flake weighs 1Kg in the 25-30Kg bale and 2Kg in the 55-60Kg bale, with 25-30 layers per bale.

*GPAC™ for 25-30Kg Natural Press *Fresh Flake™* small bale alfalfa is 24 wrapped bales. 55-60Kg is 12 wrapped bales.
